

Greetings from the Spring Valley Elementary Volunteer Program!

As many of you are aware, and for those of you who aren't, we have a wonderful volunteer program at Spring Valley Elementary. Our volunteers all come with different backgrounds and life experiences. The one thing they all have in common though, is the desire to help make a difference in a child's life.

We have many opportunities for our volunteers. Listening to students read, tutoring, copy work, laminating, arranging bulletin boards, helping out in classrooms and the library, being an "extra pair of hands" at school functions, and cutting and counting donated box top labels are just a few examples.

If you or anyone you know is interested in becoming a volunteer please fill out the attached paperwork, and return it to your child's teacher. If you have any questions, please contact Sherry Ellefson at 715-778-5602 or ellefsons@springvalley.k12.wi.us.

We would be excited to have you join the volunteer team! Whether you can volunteer for half an hour or for a whole day—one day a week or one day a month—your time would be greatly appreciated!

Too often we underestimate the power of a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.
